

JESUS

CHRIST,

the greatest gift!

Jesus Christ - the gift for you!

A very precious gift. A gift that has impact for eternity. You can accept this gift or reject it. God has given you a free will.

Jesus Christ wants to come into your life and fill all your voids, He wants to save you and make you free.

Jesus says, "I am the way, the truth and the life, no one can come to the Father except through Me." (John 14:6) No one can come to God into Heaven without having accepted Jesus Christ.

It is not all over with death. Life continues, either in Heaven or in hell and this is for eternity, which means it will never end.

Life on earth is only for a certain time, you don't know when your own time will be over. Only as long as you are alive on earth you can make the decision to accept Jesus Christ. After, it will be too late, too late forever, there is no second chance.

"For God so loved the world that He gave His only begotten Son so that whosoever believes in Him should not perish but have everlasting life." (John 3:16)

Eternal life means to be with God in Heaven forever.

The Bible says about Heaven: "And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away."

No sorrow, no grief, no sickness, but a place of glory, the

love of God, peace, light, comfort and indescribable, never-ending joy.

Through Adam and Eve sin came into the world and thereby separation from God.

Because of the sin in your life you need forgiveness, only this way the fellowship with God can be restored.

The blood of Jesus washes you clean from all sin, if you confess them to Him and repent. He blots them out as if they had never existed.

"For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord." (Romans 6:23)

God knows you, He loves you, He knows what you think and how you feel. He wanted you to live, you are not here by chance. You are precious to Him, and valuable. God has a plan for your life. He wants to have fellowship with you, now on earth and in Heaven for eternity. He wants to give you all His blessings even now and wants to be your Heavenly Father. This is what He created you for.

Maybe you are indulgent, warm-hearted, diligent and honest but without Jesus in your life, without faith, without forgiveness of your sins, without real dedication you will be lost for eternity, which means you will not go to Heaven.

If you say, "I don't care, I will wait and see what will happen", if you doubt, if you don't believe, if you remain neutral, then you go to hell because you have not decided for Jesus.

Without accepting Jesus and following Him you have lived in vain, you are lost. Heaven is closed, forever!

Then there is only hell for eternity and there is no way of escape. You are separated from God and His glory!

The Bible says about hell: "But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers, and idolaters, and all liars, shall have their part in the lake which burneth with fire and brimstone: which is the second death." (Revelation 21:8)

A place where there will be uttermost darkness, weeping and gnashing of teeth. (Matthew 22:13)

Agonies that one has to endure fully conscious in the lake of fire. Day and night, it never ends.

Jesus is knocking at the door of your heart, let Him in and let Him dwell in you, follow Him, He will bless you and reward you for eternity.

For the greatest gift a man can get is eternal life.

This is why Jesus came into the world to die on the cross for the sin of all men. At the cross He defeated all evil, death and the devil.

He gladly paid this heavy price because He wants all men to be saved.

God wants you to choose Him from all your heart.

Ask Jesus to come into your life, accept Him as your Lord and Saviour.

Believe that He died for you, for your sins at the cross and that He rose again from the dead on the third day.

Confess your sins, repent and turn away from them. Ask Him to show you where there is sin in your life. Ask Him for forgiveness. Also forgive all those who hurt you or treated you unjustly. Repent, that is, turn away from every

wrong thing, from your ungodly way of life, turn away from the life you have been living according to your own conditions.

Give yourself for Jesus. Let Him change you and fill you with the Holy Spirit in order to do the will of God and live a holy life. This is very important!

It shows that your faith is vital, that you trust in God and that you have received the greatest gift of God in Christ.

If you have fallen from the faith, then now is the right time to rise up and repent!

If you are already a child of God, then be burning for the Lord!

If you have not yet given your life to Christ, then you can do it with this prayer:

"God in Heaven, I come to You as I am.

Thank You that You have sent Jesus Christ, that He died on the cross for my sins.

I give my life to You, Jesus Christ, and accept You as my Lord and Saviour.

Please forgive me all my sins and wash me clean through Your precious blood.

I forgive all those who hurt me and treated me unjustly.

Come into my life through Your Holy Spirit and change me, the way You want to have me.

I renounce every power of darkness and every dark thing I have lived in and have involved myself in. From today I am no more living for myself but for You because You have given Yourself for me, so that I can live forever.

Lord Jesus, thank You for accepting me; my life is now completely in Your hands.

In Jesus' name, Amen!"

Now you are a child of God, all Heaven is rejoicing! Seek companionship with true Christians, confess your decision, grow in faith and follow Jesus!

Jesus Christ says: "I am the light of the world: he that followeth Me shall not walk in darkness, but shall have the light of life." (John 8:12)

Jesus Christ,

the most precious gift for you,

because He loves you!

God bless you!
